1 The three little pigs

Once upon a time there were three little pigs living in a forest. One day their mum told it was time to move to their own places.

And yada yada yada.

One night the big bad wolf, who dearly loved to eat fat little piggies, came along and saw the first little pig in his house of straw. He said

"Let me in, Let me in, little pig or I'll huff and I'll puff and I'll blow your house in!"

The little pig saw the wolf climb up on the roof and lit a roaring fire in the fireplace and placed on it a large kettle of water.
